Brethren: When you have completed this form, make as many copies as you need. It is suggested that a copy be given to your spouse, your grown children, any brothers, sisters, parents or others you believe might be concerned. It would be prudent to give your Lodge Secretary a copy of the FRONT SIDE ONLY (or first page) of this form to file with your other Lodge documents.

Please remember that this is not a "will," though, in some cases, it might be considered a legal document, and therefore, you may wish to attach a copy to your Last Will and Testament. It is, however, an extremely important document to provide some guidelines for completing your final wishes to those you love and leave behind. This document is in no way intended to be or convey legal advice or to take the place of a legally drawn Will. For proper advice, always consult your attorney.
